

MINOR Education

Student's Last Name	First	Middle Initial
---------------------	-------	----------------

Advisor	Date Minor Declared
---------	---------------------

The goal of the Minor in Education is to facilitate students' understanding of the central concepts, structures, and tools of inquiry of the discipline(s) and how to create learning experiences that make these aspects of subject matter meaningful and engaging for all students. Students will also understand how individuals learn, develop, and differ in their approaches to learning, understand how to adapt to diverse learners, recognize the importance of long-range planning and curriculum development, and how to implement and evaluate standards-based curriculum.
