ECN 325*** or BUS 318	3	General Elective	3
Tier III Course	3	General Elective	3
Tier II Course			
TOTAL	17/18	TOTAL	18

This is a suggested schedule based on declaration of accounting major. Students must also be counseled about possible completion of 150 hours as preparation to sit for the CPA exam. Students frequently double major or may elect to stay extra semesters for this. Have them see an Accounting faculty member for additional information.

*ENG 103 may be taken in either the first or second semester of the freshman year.

**MIS 201 OR MIS 210 can be taken at any time but preferably early in the program, so they can be applied in other classes.

***ECN 325 is offered every other year; may be taken junior or senior year.
