Student's Last Name                      First                      MI                      Student ID#                      Class (Soph, Jr, Sr)

In any given semester sophomore, junior, and senior students may elect to take one Westminster College course on a CR/D/F basis, but no student may count more than four such courses toward the minimum hours required for graduation.

You must consult with and get the approval of your advisor before electing the CR/D/F option. Graduate and professional schools may refuse to accept students with grades of CR in courses they require for admission, and potential employers sometimes view CRs with suspicion or disfavor. I elect to take the following course on a CR/D/F basis:

---

Dept Code	Course #	Section	Course Title	Term	, 20	Year
-----------	----------	---------	--------------	------	------	------

---

Advisor's Signature

**This form must be completed and submitted to the Office of the Registrar no later than the end of the add period.**
